Steps to becoming a member

Mt. Pleasant Baptist Church (MPBC) is a body of believers united by our desire to follow Jesus Christ and committed to fulfilling the purposes set forth in our Mission Statement. If you desire to join with us and will be supportive of the beliefs, fellowship, and mission of our church, we warmly invite you to become a member. Here are the three steps to becoming a member:

STEP 1

Present yourself for membership during the invitation of any worship service.

At the close of each Worship Service, our Pastor will extend an invitation for you to come forward. You will be greeted by a minister and introduced to a friend who will guide you in your decision.

STEP 2

Express your desire for membership through one of the following means:

By profession of faith

If you will receive Jesus Christ as your personal Savior and Lord and follow Him in baptism by immersion, we will welcome you into our fellowship.

By transfer of membership from another Baptist church

As a Baptist whose membership is elsewhere, should God direct you here we will be pleased to welcome you into our church family. We will take care of the appropriate details for the transferring of your membership. You need only to present yourself for membership.

By statement of faith

If you know in your heart that you have a saving relationship with God through Jesus Christ and desire to be a member of MPBC, we will be happy to receive you. If you were once a member of a Baptist church or your records are not available, we will accept you upon your statement of these conditions.

If your church membership is currently in another denomination and you have not been baptized by immersion as a testimony of your salvation, we would expect you to be baptized in obedience to Christ before being added to our church family.

After presenting yourself during the invitation, the minister will answer any questions you may have about this.

STEP 3

Attend the Discovering Membership Orientation for all new members and people considering membership.

This special orientation for all new members and prospective members will give you essential information to help you become a fulfilled and functioning member of our church by charting out a plan for your first year at MPBC. This orientation will help you begin building relationships in our church. You will also be introduced to the many ministries listed on the back of this brochure that will utilize the talents and skills that God has given you so that we may worship and serve together. Children and spouses are welcome.

After you've completed these steps, we will joyfully receive you as a member of MPBC and you will begin to fully enjoy the benefits and blessings of being a part of our family of friends.
